

# VERNON HILLS MONTESSORI CAMP INTRODUCTION

SKATE ROOM

## Our Staff

**VERNON HILLS MONTESSORI and ICE SKATE ROOM CAMP** has the best dedicated staff, here's why:

Both of our Director and teachers are year around staff for our Montessori classrooms and after school program. This ensures that we are experienced in working with children in a fun, safe and educational atmosphere.

## Music and Ice Skating Classes

Here in VHMA camp, campers will have chance to explore piano practices, learn short songs to kindle their interest in Music instrument and perform in Piano recital as well as learning basic skills of skating at skate room, every day of the week.

## BENEFITS OF VERNON HILLS MONTESSORI CAMP

### Music

It's proven that music boosts brain power, improve memory, helps them socially, builds confidence, teaches patience, help them to connect, teaches discipline, fosters creativity, it's a constant learning, and it's a great form of expression.

### Ice-Skating

Ice skating improves balance, joint flexibility, builds leg muscles, it's a great cardio, good stress relief activity.

### Dancing

It improves muscular strength, endurance and motor fitness, it has good health benefits.

***Music, Ice-skating and Dancing really go well together.***
